Crt. No.	Checked Item	Doc. page/line	Comments/ improvements
1	D_01 / D_02	3 - 4	No example provided for how the student's info should be saved in the text file (missing formatting).
2	D_01 / D_02	3 - 4	Missing information regarding the desired data types for the student info.
3	D_01 / D_02 / D_05	11	Missing information about the way in which the grades will be stored in the "Catalog.txt" in the "LabAssiAsseRequirements.pdf". However, the above-mentioned information is specified in the other requirements document, resulting in inconsistency between the two.
4	D_01 / D_02	F10: Filtering	Not specified on which criteria the entities should be filtered.
5	D_06	F10: Filtering	Unclear as to how should the user provide the necessary information for filtering the entities / how they interact with the app in this regard.
6	D_02	F11: Reports	Missing information as to where these reports will be saved/sent
7	D_01 / D_02	1 - 2	The programming language is not specified in "LabAssiAsseRequirements.pdf".
